FREQUENCY MODULATION WITHIN LORAN-C SIGNALS

\*\*\*

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Replying to the Office communication of October 4, 2004, applicant appreciates the allowance of original claims 1-7.

In view of the typographical errors pointed out by the Examiner and the requirement for correction, please accordingly amend the specification and claims as follows, and please enter the further typographical errors found by applicant under the provisions of Rule 312.

Any costs required by this amendment, including for any required extensions of time, petition for which is hereby made, may be charged to the Deposit Account No. 18-1425 of the undersigned attorney.

Very Respectfully,

By 

Robert H. Rines  
Attorney for Applicant
